Dear Sir/Madam

**RE: REQUEST FOR INDUSTRIAL ATTACHMENT DARLIUS MWABA NRC NO.395707/33/1**

The above-named student is studying Diploma in Mechanical Engineering. They have completed their first year of their 3 years months course and are expected to be placed on a three (3) months industrial attachment before proceeding to the next year.

As part of the curriculum, industrial attachment is a mandatory requirement. we therefore, as Northern Technical College management, request you to attach the student at your organization to facilitate for their progression.

The Following are the subjects which the student has learned:

<b>YEAR ONE</b>	
Communication Skills	
Engineering Mathematics	
Engineering Science	
Engineering Drawing	
Workshop Process and Practice	
Engineering Materials	
Information Technology	

This attachment will start on 03 February 2025 and expected to be completed on 30 April, 2025. We would be very grateful if the student is placed in a work station that will enable them satisfy the learning outcome outlined in their logbook.

Your support will be highly appreciated

Yours faithfully,  
**NORTHERN TECHNICAL COLLEGE**
